

CCAI Haiti Program Fees

For Families in Colorado

CCAI is proud to be a 501(c)(3) non-profit, charitable adoption agency. That means we are financially accountable to you as the American public and as an adoptive family. Disclosing all costs up front and having no hidden charges is important to us. While providing uncompromised first-class adoption service, CCAI's program fees are among the lowest in the field of Haiti adoption.

Once your application is approved, you will sign a Fee Policy/Agreement (see "Sample Fee Policy/Agreement") with CCAI which commits you to pay CCAI fees as well as expenses paid to other entities necessary to complete your adoption (see "Adoption Expenses & Chronology"). **The Fee Policy/Agreement also commits CCAI to not change the amount of our fees throughout your adoption.**

CCAI does not use your program fees to support operations or endeavors that do not pertain to your adoption. Families make payments to CCAI at three different times and only when they are ready to be provided with the services covered by that fee. Following is a breakdown of the services covered by each of CCAI's program fees.
