

Where Families Grow and Dreams Come True!

Dear Perspective CCAI family,

Thank you for your interest in applying to adopt a Haitian child through our CCAI – Haiti Program. Please download, print, complete, and sign the application and the State forms found on this web page.

As part of the approval process in Colorado, we are required to receive references from three non-family members (A husband and wife cannot count as two separate references). Please provide complete mailing address for your references on page 4 of your application (or a separate piece of paper submitted with your application). Once your application is received by CCAI and preliminary approval is given, we will send your identified reference a form to complete and return to CCAI. Your references are welcome to fax or mail the form to us. All three references forms will need to be completed and returned to CCAI before your application can be officially approved.

All three references will need to be returned to CCAI, including your completed application, before you can be officially approved for a Haitian adoption. If you have any questions or need assistance, please feel free to contact me. I look forward to receiving your application and helping you begin your Haiti adoption journey!!

Sincerely,  
Judy Winger, MSW
